with Karen Reifinger

32 CEUs - NCBTMB, FBMT

Within each one of us lives divine perfection! Join Karen Reifinger for a dynamic workshop that will transform your life, rejuvenate your existing massage practice, and create space for healing, self-acceptance and empowerment. The time is NOW, to be all you can be!

Lomilomi works gently and deeply into the muscles using continuous flowing strokes totally nurturing the body to restore balance and allow healing at the deepest levels of body, mind and spirit. You will learn protocol and flowing forearm technique for a full lomi session, stress-free body mechanics, how to create sacred space, techniques & exercises to encourage the energy of the body to flow freely, specialized music to enhance healing, marketing and business suggestions.

Please wear loose comfortable clothing. Bring 2 white sheets and 2 hand towels for draping. Be prepared for transformation and discovery of Self and Spirit!!
