- You have Psychic (Spiritual) Gifts
- You are Here to Learn and Grow
- You have a Thrust and Purpose
- You have Guidance or Spiritual Helpers
- You are Free

New Spiritual Horizons Techniques Workshop

Saturday, May 4th

9 am-12:30pm

\$50

In this 3-1/2 hour workshop, you will experience aspects of what was shared in the "The Real You" presentation. To help you explore the reality and power within as an unlimited soul, we will facilitate techniques to introduce you to the reality of your psychic nature (clairaudience and clairvoyance), spiritual energy cleansing for you personally as well as one for your environment, and spiritual energy healing of self and others. You will gain awareness of how sensitive you are to others thoughts and feelings. This will help you stay more compact and crisp in your energy and thereby keeping your enthusiasm and momentum in life high.

Reincarnation: The Evolution of My Soul Workshop

Saturday, May 4th

2pm-5pm

A three hour exploration into the reality of reincarnation through techniques experienced in a course format.

- Learn about reincarnation and what it means to you as a soul growing on planet earth.
- Get an in-depth picture of one of your past lifetimes and see how it relates to now.
- Gain an understanding of the meaning of spiritual growth and see how personal refinement is a constant ongoing process.
- Discover how regrouping yourself can help you get a bigger picture and a greater understanding of the experiences you have in life.
- See the meaning of your life experiences in a positive light for greater happiness.

On Schedule With Your Plans Workshop

Sunday, May 5th

9-12pm

\$50

Prerequisite: Experienced the 1001 Orientation Profile

Through this fun workshop you will be able to set goals which are in the flow of your purpose for greater ease of fulfillment. You will be shown techniques will be presented as we facilitate your experience in a course format. The 1001 Orientation Profile is a prerequisite to attending so you work closely with your personal team of Spiritual Guidance in the course.

- In this course you will regroup the importance of knowing what you came to do and of doing it in good timing for your personal success.
- Receive keys that will let you know if what you came to do is behind schedule or ahead of schedule.
- Evaluate the difference between your wants and needs.
- Experience a simple technique that shows you how to project for your long range and short range spiritual and material goals. Take this technique home with you and use it as a simple plan for future goals.
- Obtain an overview on how your energy can flow freely throughout all your seven spiritual centers and as a result have a healthy physical body.
